Nemko AS hereby gives the above licensee permission to use the -mark on or in connection with products which fulfil the requirements of the standard or the normative document specified above. The certification licence is valid on the condition that the licensee complies with the "General rules for certification of products" (NCS P-100E) and the specific rules applying to certification of products of the type mentioned. The licensee is obliged to indemnify Nemko of any claim for damages or any other expenses to which Nemko may become liable as a result of injuries caused by a product manufactured or sold by the licensee. This also applies to defective or faulty products.

The licence is valid for one calendar year and is automatically renewed for one year at a time, unless the licensee or Nemko gives at least three months notice to the contrary.

The licence is not transferable.

Nemko AS
